# Bridge to Home

**Try our Bridge to Home program at Carmel Terrace Assisted Living, located on our campus, also part of the Carmelite Sisters for the Aged and Infirm system of homes.**

We have fully furnished apartments ready for you to continue convalescing, including assistance with your activities of daily living and housekeeping services to maintain a clean environment. While at Carmel Terrace, you can enjoy three delicious and nutritious meals a day, activities, daily Mass and fellowship with other residents. Then, rested and refreshed, you will be ready to return home.

Admission is based on assessment of your needs and apartment availability. Minimum is a 30-day stay, but time will fly as you enjoy Carmel Terrace's peaceful atmosphere while making progress in your recovery.

**Think this might be a possibility for you? To learn more contact:**
